

ENTERPRISE 590

The flagship of the Enterprise series is our commanding 5.9 M rig. It's got a big 210 litre fuel tank to take you way offshore, if that's your passion.

And the cockpit is enormous. With ample freeboard and enough space for a boat load of anglers, this is a fishing machine that will delight your family and your friends too. The stern quarter seats fold away so that you can chase fish around the transom. Other fishing features include a huge fish box, side rod racks, rod holders and a big comfortable cabin with vee bunks.
