

EXPLORER 490

Fibreglass runabouts don't come much more compact than our Explorer 490. Rated to 90hp, the Explorer 490 is the epitome of economy. It's light to tow, and ultra light on fuel too.

At an overall hull length of 4.90m this model doesn't take up too much storage room at home either. As a general purpose runabout that can be used to fish, explore and tow the kids on an inflatable tube, the Explorer 490 ticks all the boxes for great family fun on the water.
